About O.R.B.I.T

Africa, a continent ripe with opportunity, an abundance of talent, diverse cultures, and rich in natural resources. Yet, plagued with a vast number of wicked problems, predominantly socio-economic in nature.

It is for this very reason that **O.R.B.I.T** (as a social development & non-profit organisation) strives to uplift Africa and her people by playing its part in helping address the *United Nations Sustainable Development Goals*, by predominantly focusing on:

- *No Poverty*
- *No Hunger*
- *Quality Education*. No child or family deserves to get left behind...you and I can influence the change we aspire to see in Africa and her people!

At **O.R.B.I.T**, wellbeing is at the forefront of what we are working together towards. Our programs (chapters) and activities are designed to be a catalyst that helps community members reach their goals and fulfill their potential. O.R.B.I.T Festive Food Drive

In partnership with *Hloliswa Primary School*, **O.R.B.I.T Care** (one of the 3 chapters within O.R.B.I.T) decided to take on the Big Hairy Audacious Goal (BHAG) of providing nutritious food to the homes of 200 impoverished families living within Ekangala, all within a space of **1** day!

We were of the view that **no child** or **family deserves to be left behind**, and more importantly, how do we ensure that the time we spend with the children and their guardians is one where they would realise that although life can be challenging, **you are not your circumstances and they too are not you!** That with a few words of encouragement and motivation, that they too could dream of a better life with **their dignity and self-worth** being restored, especially for the children!

This would not have been possible without the generous **hearts**, **hands** and **heads** of our fellow corporates, friends, family, and South Africans at large:

*"Do your little bit of good where you are.
It's those little bits of good put together
that overwhelm the World"*

I would like to thank each, and everyone involved in making this BHAG a reality and for enabling O.R.B.I.T to be in a position to touch 200 families and allow them to break bread together over this festive season.

May you be blessed in all that you do and lay your hands upon in 2021! We look forward to partnering with you in 2021 as we aspire to touch and uplift the very communities that serve as home to our future leaders!

Yours sincerely,
